BURLINGTON – GRAHAM METROPOLITAN PLANNING ORGANIZATION TRANSPORTATION ADVISORY COMMITTEE

TUESDAY, OCTOBER 20, 2020 5PM

The meeting will be held remotely via conference call: (727) 731-6256 Online meeting ID 251-785-147

Any member of the general public who wishes to make public comment should send an email to wmallette@burlingtonnc.gov by Monday, October 19, 2020 and the comment will be read during the public comment portion of the meeting

DRAFT AGENDA

1) Call to Order & Quorum Chairman Welcome and Introductions Introduction of new Transportation Planner, Blake Cashmore Roll Call Attendance Changes to Agenda / Add On Items Speakers from the Floor -3 minutes per speaker NC Ethics Statement for TAC members 2) Approval of Minutes from August 18, 2020 TAC Meeting Chairman Agenda Items #3 & #4 Tabled from August 18, 2020 meeting

3) NCDOT Transportation Performance Management Update

INFORMATION: Under the FHWA Transportation Performance Management (TPM) requirements, NCDOT is developing a Mid Performance Period report due to FHWA by October 1, 2020. This report will update the Baseline Performance Period report submitted to FHWA in 2018. The BGMPO NCDOT-Transportation Planning Division (TPD) Liaison will review the current state targets for the federal measures and performance data and discuss responsibilities for incorporating TPM data and targets in MPO transportation plans.

RECOMMENDATION/ACTION: 1) Receive information and discuss

4) 2020 BGMPO Transportation Performance Measures and Targets Wannetta Mallette

INFORMATION: The MPO is required to set and show demonstrable progress towards meeting the transportation performance targets and reflect those targets in their planning documents and planning agreements with transit agencies, DOTs and other planning partners. MPO's have until February 27, 2021 to agree to adopt NCDOT's safety targets or commit to developing its own quantifiable performance measures. The five safety-related performance measures that were recently submitted as part of NCDOT's yearly Highway Safety Improvement Program annual report are: 1) Number of fatalities, 2) Fatality Rate (per 100 million VMT), 3) Number of Serious Injuries, 4) Serious Injury Rate (per 100 million VMT), and 5) Number of Non-motorized (Pedestrians + Bicyclists) Fatalities and Serious Injuries.

Daryl Vreeland

<u>ACTION/RECOMMENDATION</u>: 1) Receive information and discuss; 2) TAC endorsement of NCDOT's safety targets (for each of the five measures) for FY21 by resolution.

5) BGMPO Highway Safety Plan

INFORMATION: The BGMPO is developing a highway safety program with the objectives of raising awareness and changing public attitudes and behaviors in an effort to reduce accident rates within our region. A Vision Zero goal will be a strategic objective of the planning effort to ensure safety on the regional transportation network. To be most successful in the reduction of traffic collisions and loss of life, continued community education about crash statistics and a program for safer life-saving driving practices is needed. Successful community engagement with key community stakeholders will be essential to the creation and execution of this task.

<u>ACTION/RECOMMENDATION</u>: 1) Receive information and discuss; 2) TAC approval to establish Highway Safety Program.

6) 2020 - 2029 STIP Reprogramming

Wannetta Mallette

INFORMATION: NCDOT recently reprogrammed projects in the State Transportation Improvement Program (STIP) to ensure that the STIP remains fiscally constrained in light of the COVID-19 pandemic resulting impact on revenues, the passage of House Bill 77 regarding NCDOT's fiscal governance, and escalating construction project costs over the past year. The proposed STIP now extends to 2032 from 2029. A list of BGMPO projects affected by the STIP reprogramming was included in the agenda packets. As the adopted 2020-2032 Metropolitan Transportation Improvement Program (TIP) is a subset of the STIP, the TIP and MTP are in need of amendment to align with state and federally funded transportation projects within the BGMPO urban area.

<u>ACTION/RECOMMENDATION:</u> 1) Receive information and discuss; 2) TAC release the 2020-2032 TIP for a 10-day public comment period.

7) SPOT 6.0 Proposed Division Needs Alternative Criteria and Weights Wannetta Mallette

INFORMATION: NCDOT'S highest priority is to provide greater assistance to smaller MPOs in the planning and prioritization of projects that reflect the unique needs of each Division. According to the Strategic Transportation Investments (STI) law, alternate scoring criteria can be used for highway projects if there is concurrence among Divisions and their respective MPOs and RPOs. Divisions 7 and its respective MPOs and RPOs are currently discussing whether to move all points from the Freight category to the Safety category as done in SPOT 5.0. Area specific weights are due to the SPOT office by <u>October 23, 2020</u>.

<u>ACTION/RECOMMENDATION</u>: 1) Receive information and discuss; 2) TAC endorsement of SPOT 6.0 Option #1 Alternative Criteria and Weights for highway projects by resolution.

8)	NCDOT Board of Transportation Update	Mike Fox, BOT
9)	Federal Highway Administration Update	Suzette Morales
10)	NCDOT Transportation Planning Division Update/Presentation	Daryl Vreeland

Blake Cashmore

The NC Moves 2050 Plan draft recommendations/report was released on October 9, 2020 for a 30day comment period (October 9 - November 9, 2020). The public comment survey and draft report are posted on the web at <u>www.ncmoves.gov</u>. The NC Moves 2050 team also developed a recorded presentation to share at MPO meetings. The presentation can be found on NCDOT YouTube page at <u>https://youtu.be/iIYodsTGQm0</u>.

MINUTES

BURLINGTON-GRAHAM URBAN AREA TRANSPORTATION ADVISORY COMMITTEE TUESDAY, AUGUST 18, 2020 VIA WEBEX 5PM

MEMBERS PRESENT

Leonard Williams, Gibsonville (Chair) Bob Ward, Burlington (Vice Chair) Jamezetta Bedford, Orange County Monti Allison, Elon Mike Fox, NCDOT BOT Ken Jacobs, Whitsett Jim Butler, Burlington Lee Lovette, Haw River Carissa Graves-Henry, Green Level Alan Branson, Guilford County Melody Wiggins, Graham BGMPO STAFF PRESENT Wannetta Mallette

<u>NCDOT STAFF PRESENT</u> Mike Mills, NCDOT Division 7 Stephen Robinson, NCDOT Division 7

<u>FHWA PRESENT</u> Suzette Morales

OTHERS PRESENT

Mike Nunn, Burlington Nathan Page, TCC Vice Chair/Graham

Call to Order

Chair Leonard Williams called the August 18, 2020 TAC meeting to order at 5:04 p.m. and welcomed all members and guests. Ms. Wannetta Mallette conducted the membership roll call to determine a quorum. A quorum (simple majority) was present via WebEx or conference call connection. Ms. Mallette read aloud the NC Ethics Statement for TAC members. No known conflicts of interest were identified. Chair Williams then recognized those wanting to make public comments. No comments were made and none were received in advance of the meeting.

Chair Williams requested moving Item #3 Resolution Honoring Mike Mills, PE to later on the agenda. Mr. Alan Branson made the motion to approve the revised draft agenda that was seconded by Mr. Jim Butler. Chair Williams then called for the voice vote and the motion carried unanimously.

Approval of Minutes from August 18, 2020 TAC Meeting

Chair Williams requested a motion to approve the draft August 18, 2020 TAC meeting minutes. Ms. Jamezetta Bedford made the motion to approve the meeting minutes and Ms. Melody Wiggins seconded the motion. Chair Williams then called for the voice vote:

Bob Ward – Aye	Jim Butler - Aye
Jamezetta Bedford - Aye	Monti Allison - Aye
Melody Wiggins - Aye	Ken Jacobs - Aye
Mike Fox - Aye	Lee Lovette – Aye
Carissa Graves Henry - Aye	Leonard Williams - Aye
Alan Branson - Aye	

The motion carried by unanimous vote.

BGMPO P7.0 Subcommittee

Ms. Mallette presented an overview of the Prioritization 7.0 draft Subcommittee organizational structure and guidelines included in the agenda packets. The TCC approved the draft subcommittee structure and guidelines and recommended the following to serve as members:

- Four members of the BGMPO TCC (representing local governments)
 - Nathan Page, Graham
 - Cy Stober, Mebane
 - Mike Nunn, Burlington
 - Nishith Trivedi, Orange County
- Two members of the BGMPO TCC (representing transit agencies or aviation authority)
 - Link Transit, ACTA
- One BGMPO Staffer
 - Wannetta Mallette, BGMPO
- One NCDOT Staffer (non-voting)
 - Tamara Njegovan NCDOT

There being no questions, Chair Williams requested a motion to approve the P7.0 draft Subcommittee structure, guidelines and membership recommendations. Mr. Branson made the motion to approve and Mr. Butler seconded the motion. Chair Williams then called for the voice vote:

Bob Ward – Aye	Jim Butler – Aye
Jamezetta Bedford - Aye	Monti Allison - Aye
Melody Wiggins - Aye	Ken Jacobs - Aye
Mike Fox - Aye	Lee Lovette – Aye
Carissa Graves Henry - Aye	Leonard Williams - Aye
Alan Branson - Aye	

The motion carried by unanimous vote.

Renewal of Air Quality Conformity Memorandum of Agreement

Ms. Mallette stated the N.C. Department of Environmental Quality (DEQ) Division of Air Quality requested BGMPO adoption of the Memorandum of Agreement (MOA) between the BGMPO, NCDOT, North Carolina DEQ, US Environmental Protection Agency (EPA), Federal Highway Administration (FHWA), and Federal Transit Administration (FTA). The transportation conformity MOA is intended to ensure that interagency consultation procedures for transportation conformity are followed. The MOA revision include: updating names, rewording of phrases, adding language to allow administrative amendments, updating inputs needed to generate emissions modeling results and adding a duty for 10 MPOs to conduct project-level conformity analyses as a part of the NEPA process for MPO-sponsored federal projects. Ms. Mallette explained that project-level conformity is required for all areas that are nonattainment/maintenance. Staff and the TCC recommended TAC approval of the MOA by resolution.

Chair Williams requested a motion to approve the MOA. Mr. Mike Fox made the motion, seconded by Mrs. Carissa Graves-Henry. Chair Williams then called for the voice vote:

Bob Ward – Aye	Jim Butler – Aye
Jamezetta Bedford - Aye	Monti Allison - Aye
Melody Wiggins - Aye	Ken Jacobs - Aye
Mike Fox - Aye	Lee Lovette – Aye
Carissa Graves Henry - Aye	Leonard Williams - Aye
Alan Branson - Aye	

The motion carried unanimously.

NCDOT Transportation Performance Management Update and 2020 BGMPO Transportation Performance Measures and Targets

Ms. Mallette requested the postponement of Items #6 and #7 to the October 20, 2020 meeting. Chair Williams requested a motion to postpone the agenda items. Mr. Bob Ward made the motion seconded by Mr. Fox. Chair Williams then called for the voice vote:

Bob Ward – Aye	Jim Butler - Aye
Jamezetta Bedford - Aye	Monti Allison - Aye
Melody Wiggins - Aye	Ken Jacobs - Aye
Mike Fox - Aye	Lee Lovette – Aye
Carissa Graves Henry - Aye	Leonard Williams - Aye
Alan Branson - Aye	

The motion passed.

Mr. Mike Mills, PE Resolution

Chair Williams read aloud a resolution to Mr. Mike Mills, PE in acknowledgement of his many years of dedicated public service to NCDOT, Division 7 and to the BGMPO region. Thereafter, TAC members congratulated Mr. Mills on his retirement, expressed their appreciation and reflected on their personal interactions with Mr. Mills. Mr. Fox, commented that Mr. Mills was an invaluable asset to NCDOT and his presence will be sorely missed. There being no further comments, Chair Williams asked for unanimous consent to adopt the resolution. The motion to adopt passed unanimously voice vote.

Division 7 Engineer Report

Mr. Stephen Robinson reported only one change since the June 2020 report, I-5711 interchange improvements at I-40/85 @ Mebane Oaks Road. The project let date was moved to March 2021 from March 2020.

NCDOT BOT Update

Mr. Fox reported that NCDOT will be modifying the 2020 - 2029 STIP due to post Covid-19 revenue impacts. The STIP amendments will be presented to the TAC at the next meeting. Ms. Bedford asked if there would be flexibility in the expenditure of CARES funding for construction projects. Mr. Fox replied that the NC congressional delegation is supportive and final decisions are tied to the next round of CARES ACT legislation. North Carolina has set aside \$300 million to replace lost revenue.

FHWA

No update.

Adjournment

Mr. Branson notified the TAC of his scheduling conflicts and that he remains interested is representing Guilford County. TAC members expressed their desire to return to normalcy in the near future and holding in-person meetings.

There being no further comments, Chair Williams requested a motion to adjourn. Mr. Branson made the motion seconded by Ms. Graves-Henry. The motion to adjourn carried by unanimous voice vote and the meeting adjourned at 5:47 p.m. The next TAC meeting is scheduled on <u>October 20, 2020</u>.

Endorsement of Targets for Safety Performance Measures Established By NCDOT

A motion was made by TAC Member ______ and seconded by TAC Member ______ for the adoption of the following resolution and upon being put to a vote was duly adopted.

- WHEREAS, the Burlington Graham Metropolitan Planning Organization (BGMPO) has been designated by the Governor of the State of North Carolina as the Metropolitan Planning Organization (MPO) responsible, together with the State, for the comprehensive, continuing, and cooperative transportation planning process for the MPO's metropolitan planning area; and,
- WHEREAS, the Highway Safety Improvement Program (HSIP) final rule (23 CFR Part 490) requires States to set targets for five safety performance measures annually; and,
- WHEREAS, the North Carolina Department of Transportation (NCDOT) has established targets for five performance measures based on five year rolling averages for: (1) Number of Fatalities, (2) Rate of Fatalities per 100 million Vehicle Miles Traveled (VMT), (3) Number of Serious Injuries, (4) Rate of Serious Injuries per 100 million VMT, and (5) Number of Non-Motorized (bicycle and pedestrian) Fatalities and Non-motorized Serious Injuries; and,
- WHEREAS, the NCDOT coordinated the establishment of safety targets with the 19 Metropolitan Planning Organizations (MPOs) in North Carolina continually through outreach conducted by NCDOT's Mobility and Safety Group; and,
- **WHEREAS,** the NCDOT officially establishes and reports the safety targets in the Highway Safety Improvement Program annual report by August 31, of each year; and,
- WHEREAS, the MPO's may establish safety targets by agreeing to plan and program projects that contribute toward the accomplishment of the State's targets for each measure or establish its own target within 180 days of the State establishing and reporting its safety targets in the HSIP annual report.

NOW THEREFORE, BE IT RESOLVED, that the BGMPO agrees to plan and program projects that contribute toward the accomplishment of the State's targets as *noted below for each of the aforementioned performance measures:*

North Carolina Calendar Year 2021 Safety Perfo	rmance Targets
Performance Measures	CY 2021
Number of Fatalities	1,309.9
Rate of Fatalities	1.105
Number of Serious Injuries	3,656.1
Rate of Serious Injuries	3.065
Number of Non-Motorized Fatalities & Serious Injuries	504.4

Now therefore, be it further resolved, that by approval of this resolution, an amendment is hereby made to the 2045 MTP adopted on June 16, 2020 by the Burlington – Graham MPO.

BURLINGTON - GRAHAM METROPOLITAN PLANNING ORGANIZATION

RESOLUTION ADOPTING ALTERNATIVE CRITERIA WEIGHTS FOR THE QUANTITATIVE EVALUATION OF DIVISION NEED PROJECTS TO ADDRESS THE STRATEGIC PRIORITIZATION FUNDING PLAN FOR TRANSPORTATION INVESTMENTS FOR DIVISION 7

WHEREAS, the Burlington - Graham Planning Organization provides transportation planning services for Alamance County and portions of Guilford and Orange Counties; and

WHEREAS, House Bill 817 outlines the Strategic Prioritization Funding Plan for Transportation Investments; and

WHEREAS, based on this legislation quantitative, qualitative and local input criteria shall be used to rank Division Need Projects; and

WHEREAS, Metropolitan Planning Organizations (MPOs), Rural Transportation Planning Organizations (RPOs) and the North Carolina Department of Transportation Division Engineers have been given an opportunity to define their own quantitative criteria and weights for the quantitative evaluation of Division Needs Projects using the criteria outlined by the Strategic Planning Office of Transportation Workgroup; and

WHEREAS, the Burlington – Graham MPO is located in Division 7 as defined by the legislation and the North Carolina Department of Transportation; and

WHEREAS, a set of criteria, referred to as <u>Option 1</u>, has been proposed to evaluate Division Needs Projects for Division(s) 7 jurisdiction based on the following quantitative criteria: 15% Congestion, 15% Benefit/Cost, 15% Safety; and 5% Accessibility/Connectivity; and

NOW THEREFORE, be it resolved by the Burlington – Graham Metropolitan Planning Organization's Transportation Advisory Committee hereby supports the criteria for the quantitative evaluation of Division Need Projects to address the Strategic Transportation Investment for Division 7.

ADOPTED at the regular meeting of the Burlington - Graham Metropolitan Planning Organization Transportation Advisory Committee on _____, ___, 2020

I, Leonard Williams, Transportation Advisory Committee Chair, do hereby certify that the above is a true and correct copy of the excerpt from the minutes of a meeting of the Burlington - Graham MPO Transportation Advisory Committee, duly held on the _____ day of _____, 2020.

Leonard Williams, Chair Transportation Advisory Committee

STATE of: North Carolina COUNTY of Alamance I, ______, Notary Public of _____County, North Carolina do hereby certify that Leonard Williams personally appeared before me on the _____day of _____2020 to affix his signature to the foregoing document.

for **Regional** Transportation

What's Happening at PART

October 2020

Time Fly's When You Are Having Fun

Amidst all the challenges society has faced over the last several months, PART continues to meet our mission of enhancing all forms of transportation by Connecting Communities. On September 30th, we recognized our 18-year anniversary of PART Express. Since then we have seen a lot of changes including modifications in service, the development of a Regional Call Center, new Intermodal Transportation Center, vast technological enhancements, and expansion of our fleet. Through our 18 years of providing PART Express we have had hard working and dedicated staff, driver's, dispatchers, and maintenance personnel making it all happen. We also recognize we could not have done any of this without the support of our member agencies, PART Board of Trustees, and most importantly our customers. A special thank you to everyone who has worked with us over the last 18 years to make PART Express the success it is today.

PART Express Ridership Update

PART Express continues to see gradual increases in ridership. This is likely due to a variety of factors. With the exception of Route 5 – Amtrak Connector, PART has returned all routes to regular service. In addition, changes in the phased reopening of various work sites have increased commuter travel throughout the Triad. We are pleased to report that the agency saw a 12.4% increase. This is especially positive as some reports indicate that 52% of consumers are wary of increases in ridership through October. However, the holiday season (Nov-Jan) has always seen significant decreases in ridership. One additional positive is that

more and more evidence is acknowledging that public transit is not a "super-spreader" of the COVID-19 virus as initially believed. Protective measures on PART Express will stay in place to help combat the spread.

October 2020

Where Do WE Go From Here

Every transit agency around the globe is asking themselves the same question. Where do we go from here? How do we adjust to the new normal? What is the new normal? What does ridership look like moving forward? Will things ever be like they were before?

As we attempt to answer these questions there is some consensus in the transit community:

• After September 11th, it took 18 months before the airline industry rebounded. Surveys indicate people are more comfortable flying than using public transportation. Recovery is likely a marathon not a sprint.

• Contactless payment technology is a must for transit. Many agencies are even evaluating the elimination of cash payments on transit vehicles all together. PART was well positioned because of the implementation of our TouchPass system in 2018.

• Cleaning protocols are key! Passengers must feel public transit is safe. Reducing their anxieties about the spread of COVID is one of the most important things to encourage ridership. This ranges from disinfecting high touch areas to fumigation and improving ventilation.

• Think outside of the box. Agencies have traditionally been cautious about making sweeping changes to service. With the reductions in ridership, funding challenges, and changes in demand; experts are encouraging agencies

Continued Response to COVID-19

PART continues to operate under the special rules and regulations established in May 2020. These guidelines were created in response to guidance and recommendations provided by the Center for Disease Control, local health departments, our partnering agencies, and the American Public Transportation Association. Our goal is to minimize the spread of COVID-19 and associated risks to our drivers, passengers, and community. In addition to our normal cleaning procedures, we utilize a commercial disinfectant on all vehicles in combination with a disinfecting fogger. Hard surfaces in our passenger facilities are also repeatedly cleaned.

What's Happening at PART - Page 3

October 2020

PART's contuned response and policies include:

- Passengers MUST wear dedicated facial coverings (masks, bandanas, etc.) when riding PART Express.
- Passengers should adhere to social distancing when boarding and riding PART Express
- Passengers can pay fares using TouchPass Smartcard/Mobile App or Cash.
- Passengers using cash should use exact fare and will pay for each trip.
- NO Change Cards and NO transfers will be provided.
- Only one passenger is allowed on the bus at a time during boarding.
- NO personal grooming activities allowed while riding the bus or in PART facilities.
- Passengers must have proper hygiene to board the bus.
- Passengers must wear clothing covering their upper and lower torso and shoes.
- NO eating or drinking while riding the bus.
- Passengers must deboard the bus at the end of the line.
- Passengers cannot exhibit any visible signs or symptoms of the Coronavirus in order to ride the bus. Passengers exhibiting symptoms will be asked to deboard.

Impacts to Regional Vanpool Program

PART's Regional Vanpool Program provides groups of commuters with 7 and 15 passenger vans to use for their daily commute to and from work. The program has served the Triad for over 20 years. It has historically been one of the highest performing vanpool programs in North Carolina. Unfortunately, due to the COVID-19 pandemic, the program has suffered. Prior to April 2020, the program averaged 47 vans in operation; we are currently operating 17. The reasons for the reductions in participation has ranged from commuters working from home to employers concerns about supporting the program. The publics concerns about ridesharing is still very prevalent in many communities and it is unknown how long they

will last. Staff is working with organizations such as the Association for Commuter Transportation and Center for Urban Transportation Research to understand how vanpooling programs across the country are rebuilding in a post-COVID environment. Not knowing the long term impact, PART is addressing the excess fleet by reaching out to other state agencies regarding opportunities to transfer vehicles.
