

# Join us to review the Draft Regional Transit Feasibility Study!

The BGMP and area decisionmakers want your input on the draft Regional Transit Feasibility Study! BGMP is hosting an **open house on February 28** at the Paramount Theater to review the draft study and get community input. We invite you to stop by any time between 3 and 6 pm to learn more!

The study addresses future transit service, funding, and governance in the MPO planning area, which includes all of Alamance County and portions of Orange and Guilford Counties. It recommends:

- Providing **additional transit service** in the BGMP area.
- **Stronger coordination** between the five transit systems in our area: Alamance County Transportation Authority (ACTA), Burlington's LinkTransit, GoTriangle, Public Transportation, and the Piedmont Authority for Regional Transportation (PART).
- Exploring **additional transit funding sources**, such as additional municipal contributions, a countywide vehicle registration fee, or a 1/4 cent sales tax referendum.
- Studying **potential consolidation** of LinkTransit and ACTA.

You may also submit comments via email to [comments@burlingtonnc.gov](mailto:comments@burlingtonnc.gov) through March 15. The study will be presented for approval at the BGMP Transportation Advisory Committee public hearing on March 19 at 5:30 p.m. in the City of Burlington Municipal Building, 1<sup>st</sup> floor Conference Room (425 S Lexington Avenue).
